

Greetings unto the populace of Artemisia,

Their Majesties, Gabe and Sarah; Their Highnesses, Yuri and Sumayya;  
and the Kingdom Seneschal Cathryn come to you with news for the Kingdom.

The Health of the Kingdom is first and foremost within our minds, as well as the latest concerns of testing availability for those wishing to continue participating in our Kingdom events. It is becoming more known that testing is becoming harder to get, and the home rapid tests are not accepted with the Covid policy.

As of the 1st of June 2022, the Kingdom is dropping the SCA Covid policy for the camping season. The Kingdom Seneschal along with the local Seneschals will be keeping a close eye on the numbers that the CDC issue for our Kingdom area. At any time, Their Majesties, Highnesses, and Kingdom Seneschal may feel it necessary that the policy will be put back in place. Again, the Health of the Kingdom is foremost.

Their Majesties have stated that if anyone knowingly comes to an event with Covid or knowingly was exposed to Covid, and does not follow the CDC's guidelines for quarantining, that person or persons will be banished for the rest of Their Majesties' reign, and their Highnesses have stated that the banishment may carry over to Their reign.

Those who feel wearing a mask is still warranted are encouraged to do so. Remember that households, or groups can still have their own rules within their areas of a camp, and day shades.

If Their Majesties, Highnesses, and Kingdom Seneschal feel that masks need to be worn in enclosed environments, there will be an announcement.

Please respect everyone's boundaries, ask to hug someone, ask to enter encampments, or areas which are not your own.

The SCA Covid Policy is being left to the Kingdoms in a fluid state, meaning any time it is necessary the policy will and can be put back into effect immediately.

If at any time you have questions, queries or comments please contact their Majesties, their Highnesses and the Kingdom Seneschal at [comments@artemisia.sca.org](mailto:comments@artemisia.sca.org)
